Neonatal

Resuscitation

Program

January 25, 2010

Primary 7:30 am 3:00 pm
Renewal 7:30 am 3:00 pm

September 27, 2010

Primary 7:30 am 3:00 pm
Renewal 7:30 am 3:00 pm

WHO SHOULD TAKE NRP?

- Obstetricians & Pediatricians
- Emergency Room Physicians & RNs
- Obstetrical RNs
- Respiratory Therapists
- Paramedics & Emergency Medical Techs
- Any professional who may assist in childbirth

COURSE OBJECTIVES

The NRP Provider will be able to:

- Identify the physiological changes of the newborn transitioning from intra-uterine to extra-uterine life
- Describe maternal and fetal risks that help predict the need for resuscitation
- Perform all steps in the neonatal resuscitation process on a compromised newborn
- Provide post-resuscitation management of the newborn
- Identify ethical considerations that may occur in the area of obstetrics

CONTINUING EDUCATION

Upon successful completion of the primary course, participants will be awarded 6.0 Contact Hours.

Upon successful completion of the renewal course, participants will be awarded 7.03 Contact Hours.

Southeastern Med (OH-116/4-1-12) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurse's Credentialing Center's Commission on Accreditation.

COURSE CONTENT

- Overview/Principles of Resuscitation
- Initial Steps in Resuscitation
- Use of Resuscitation Bag and Mask
- Neonatal Chest Compressions
- Assisting with and Performing Endotracheal Intubation
- Resuscitation Medications
- Special considerations

PRIMARY COURSE

After reviewing the NRP Textbook and/or DVD-ROM, those taking the primary course will:

- Attend a NRP lecture
- Participate in practice demonstrations and Mega Codes
- Complete a written test
- Complete a Mega Code

RENEWAL COURSE

If registering for a renewal course, be sure you renew your certification before the expiration date. There is no grace period given for NRP renewal.

NRP INSTRUCTORS

- Shobha Lall M.D.
- T'Wana Waggoner R.N.C.
- Kathy Jefferis B.S.N., R.N.
- Wendi Miller R.N.

All instructors are associates and physicians affiliated with Southeastern Med and do not have any real or perceived conflict of interest. No commercial support has been received for this educational offering.

COURSE MATERIALS

Primary Course:

Neonatal Resuscitation Textbook

In order to prepare for the course you will need the NRP textbook two weeks prior to the class. We ask that you do not write in the book unless you intend to purchase it.

Textbook price: \$50.00

Renewal Course:

Neonatal Resuscitation DVD-ROM or text book

This DVD-ROM is recommended for participants renewing their provider status. If you wish to review the DVD-ROM at the medical center, one will be available in the Computer Training Room on 4 West.

REGISTRATION

To register for NRP, please contact the Education Department at 439-8170.

Class size is limited to 8-12 individuals for the Primary Course.

Primary Course Fee: \$85 (includes textbook)

Renewal Course Fee: \$35 (additional \$50 to purchase textbook)

Southeastern Med associates, physicians, and United Ambulance staff are exempt from registration fee. Textbook may be purchased for \$50.
